TO ALL MEMBERS

Dear Canning City Members,

Sadly, our State League Chairperson Paul Oliver has had to step down with the need to focus his time on his young family. I would like to take this opportunity to thank Paul for all of his hard work and we are sorry to see him go.

As one door closes another one opens and a new era begins. It is now time to build on past achievements, learn from our mistakes and focus on the future.

Moving forward I will take on the role as “acting” State League Chairperson until a more suitable replacement can be found. Jeff and Hans have agreed to assist so that the Saturday Senior Club WILL continue to operate normally.

The First Team is now going to be coached by John Drewett and Rob Pearson who you will know from the Under 18's last year. They are very keen and willing to put in the hard work to make this a success so we hope to attract players who are of the same mind.

Jim after his very successful trials will continue his hard work with the Under 18's. They are a very young side with lots of potential and we are sure that Jim can help them fulfil that potential.

We are a strong growing club rich in history and talent but we still have much to do. Our plan below is simple and we would like as many people to be a part of it as possible.

- To be prepared to lead the charge back in to Division One, we need to grow in membership. We encourage you to recruit players that you would like to be a part of our club, not just in talent but in attitude. We are looking for players that are willing to learn and work hard to get John's and Rob's vision out on that field.
- We will focus on our financial stability. With a solid financial foundation, we can provide more equipment and utilities on a variety of platforms. So please if you know of any one that would wish to Sponsor our club let us know, we promise to work with them and make it worth their investment.
- We will continue to build on our reputation of being a “Family Club” by encouraging players to bring their friends and family to as many games as possible. Should any one wish to volunteer their services in assisting the Club then any help would be gratefully received.

In closing this cannot work without clear communication, our players and volunteers. This is YOUR CLUB so please if you have any ideas on how we can make things better come and talk to us..., I promise you we will not bite!

Here's to a successful season on and off the field.

With best regards,

Steve Senior, John Drewett, Rob Pearson and Jim Partridge
